EDUCATION

ITM College Of Science and Management — Gorakhpur
Bachelor in Computer Application | *Percentage: 70.1%* — *Pursuing BCA 5th sems*

Ramkrita Intermediate College — Kushinagar
Intermediate from PCB | *Percentage: 68%* — *April 2022*

PROJECTS

E-Commerce | *HTML, CSS, JavaScript.*

- The **E-commerce Website Project** is a full-stack web application designed to provide users with a seamless online shopping experience. The platform enables customers to browse products, add them to a cart, and make secure purchases, while administrators can manage inventory, orders, and customer data through a dedicated dashboard.

Online Food Donation Platform | *HTML, CSS, PHP, JS, MYSQL*

- The **Online Food Donation Platform** is a web-based application that connects **donors, NGOs, and needy individuals** to reduce food wastage and fight hunger. The platform allows donors (restaurants, households, or event organizers) to list surplus food, while NGOs or volunteers can claim and distribute it to people in need.

Certification

Deloitte Virtual Internship– Data Analytics Job Simulation — Forage — *August 2025*

- *Developed **problem-solving skills** by working on simulated Deloitte client cases.*
- *Applied **data-driven decision-making** to provide recommendations for business strategy.*

Tata Virtual Internship– Cybersecurity Analyst Job Simulation — Forage — *August 2025*

- *Conducted **threat identification and risk assessment** to analyze potential security vulnerabilities.*
